

BEFORE ACTIVITY

Check for symptoms of COVID-19. If you have symptoms of COVID-19, have tested positive for COVID-19, have had contact with someone with COVID-19 and/or you are otherwise required to self-isolate (and in each case, you have not completed the required self-isolation period) you should not attend the cricket activity and must follow NHS & PHE guidance in England guidance on self-isolation as well as follow school procedures and protocols.

Schools should inform MSSP of the appropriate consent for their pupils to participate prior to the event.

Schools should follow their own health and safety procedures around agreed “bubbles” and not mix groups/ year groups.

Pupils/ students should arrive changed and ready to play where possible.

All adults attending should have the NHS track and trace app so they can ‘check in’ to the venue.

On entry to the site, schools may be kept in a holding area to allow other schools entry whilst maintaining social distancing. They will then be directed to their team station.

DURING ACTIVITY

Limit the sharing of equipment, but if you do share, practise strict hand hygiene.

No sweat or saliva is to be applied to the ball at any time.

Hand sanitizer to be used at all breaks in activity and prior to any food or drinks.

Players to remain socially distanced at all times during play (NB: In England, this means at 1m+)

Umpires are not to handle the ball at any point of the game other than to sanitise, leaving it at the stumps during breaks.

School staff to clean their bat when leaving the field of play OR when the bat is swapped to another player.

Sanitising and cleaning can take place at the end of innings e.g. after 8 overs.

Bowlers should not hand anything to the umpire.

Social distancing must always be maintained including during breaks.

The ball must be immediately returned to the bowler, not passed between players.

The non-striking batter should remain socially distanced from the umpire and should run on the opposite side of the pitch to the batter on strike.

Individuals should bring their own food and drink and should not be shared.

Toilet breaks should be taken when not scheduled for play, school staff should accompany pupils and ensure strict hygiene guidance is followed.

AFTER ACTIVITY

Equipment should be thoroughly cleaned immediately.

Schools should continue to follow social distancing rules and will be directed to the exit by MSSP staff

Raynes Park Cluster Year 6 Kwik Cricket Festival Thursday 6th May 2021

Welcome to the Raynes Park Cluster Year 6 Kwik Cricket Festival 2021.
Many thanks for bringing your teams.

Format & Rules

One innings per team, each inning to be 8 overs long (4 balls in an over).
Mixed gender event. There must be at least 4 girls fielding/bowling on the pitch at any time.

Squad size: 8 a side with a maximum of 10.

Batting and Scoring

Batting team bat in pairs who each face 2 x 4 ball overs.

Each team starts with 200 runs.

Each time a batter is out, 5 runs are deducted and the other batter faces the next ball.

A batter may be out bowled, caught, run out, stumped and hit wicket.

There is no LBW unless the batter deliberately prevents the ball from hitting the stumps using their leg or foot.

Runs will be scored in the normal way.

2 runs awarded to the batting team for each no-ball and wide bowled but no extra ball apart from the last (8th) over when the extra ball has to be bowled again. Four legitimate deliveries must be bowled in the final over. Batters can score as normal from no balls (e.g. 2 runs + whatever is scored).

Bowling and Fielding

Each player on the fielding side must bowl one over.

Bowling takes place from one end.

Bowling should be over-arm where possible. (the ball may bounce more than once so long as it doesn't reach the batter rolling).

Under-arm deliveries must only bounce once.

Apart from the wicketkeeper, no fielder is allowed within 10 yards of the batter until the ball is hit.

The first bowl of each Over must be overarm, then it can either be over-arm / underarm for the remaining balls.

ALL under-arm no balls (bouncing more than once before the batter) or wides are +3.

ALL over-arm no balls (bouncing more than twice before the stumps) or wides are +2.

Group Stage

The festival will be run in a round robin format across 2 pitches. There will be scores at the end of each game but no overall results collated.
