## Type of Event

Festival - No overall winners (participation and development based activities or games).

Inclusive Festival - No overall winners (participation and development based activities or games) targeted mainly for SEND or less experienced players.

Development Competition - Competitive element but for less experienced/developing players. These events may include overall or group winners. If children compete at this event they will not be permitted to compete at the Borough Championship competition for the same sport.

Borough Championship - Competitive event with overall winners (Trophy and Medals) which may also be a qualifier for a regional round. If children compete at this event they will not be permitted to compete at the development competition for the same sport.

Inclusive Borough Championship (SEND focus) - Competitive event with overall winners (Trophy and Medals) which may be a qualifier for a regional round. Participants will need to meet specific SEND criteria to be eligible.

Other - Schools are also encouraged to arrange fixtures with other local schools, and to enter leagues or other competitions which may be run by local clubs or School Sport Association. For more info please speak to the MSSP team.
