

## Raynes Park Vale FC — Schools Invitation - Free Adult & Child Ticket Offer

Dear Parent

We'd love to welcome you and your child to experience the excitement of live local football at Raynes Park Vale FC. As a club proudly rooted in our community and rising in ambition, we're building something special with and for South West London.

### A club for your community

Under the leadership of Chairman Bob Finch and CEO John Scales (former England and Premier League footballer), the Club is entering a new era on and off the pitch, expanding our outreach and sharpening how we inspire local young people.

Formed 30 years ago by Raynes Park FC and Malden Vale FC coming together, with the club's original origins dating back to 1925 with the Southern Railway Football Section.

Since 1995, the club has steadily climbed the football pyramid, with a landmark promotion in 2017–18, a championship-winning 2022–23 season (99 points), and a historic step up in 2023–24, marking a new chapter of ambition and progress to currently competing in the Isthmian League South Central Division (Step 4).

This season we're also laying the groundwork for a fully integrated youth pathway, working closely with Raynes Park Vale Youth FC and RP Tigers. It's a first step toward a seamless framework, infrastructure and journey from grassroots to first team. This pathway will deliver opportunities, role models and memorable matchday experiences to local families.
